PROFESSIONAL SUMMARY

NCAA Division II student-athlete pursuing a B.S. in Data Science, Analytics, and Visualization, with strengths in leadership and teamwork built through competitive athletics and coaching.

WORK EXPERIENCE

Assistant Basketball Coach — Sparks Basketball Maui

Summers 2024–2026 | Maui, HI

- Helped improve the basketball skills of kids ages 8–18 as an assistant coach at competitive tournaments.
- Designed and led individual and group skill drills and gave real-time feedback during games, collaborating with the head coach on strategy.
- Strengthened players' fundamentals and team performance through communication, patience, attention to detail, and leadership skills.

Head Basketball Coach, Volunteer — Maui Youth Basketball League

June–August 2025 | Maui, HI

- Taught basketball fundamentals to children ages 7–11 while encouraging them to have fun
- Planned and led practice sessions, adapting coaching style to different skill levels and ages
- Fostered a positive team environment that helped young athletes build confidence and basic basketball skills

CLASS PROJECTS

Senior Project Job Shadowing Elizabeth Cuccia — Wong Leong || Cuccia

Sept 2022–Jan 2023 | Maui, HI

- Shadowed a private defense attorney and experienced their workday, including trial, client interaction, and team communication
- Observed courtroom proceedings, assisted with case research, and took part in client and team discussions
- Gained firsthand insight into legal processes and developed professional communication, critical thinking, and problem-solving skills

SKILLS
